

Avril Lavigne - Avalanche

```
I say that I'm just fine but
                          tom:
                                                                  Abm
Intro: Ebm Db B
                                                            I don't feel alright on the inside

                                                            I say that I'm okay that I don't
                                                                          Ebm B
                                                            Feel okay right now no I've been slipping
  I keep trying just to make it
                                                                          Abm
                                                            And sliding my world is getting colder
  To to end of the day you know I hate it

 Been lying my body is aching
                                                                         Abm
                                                            Tonight, I don't feel alright on the inside
 What do you do when the hero needs saving?
                                                            It's like I'm running from an avalanche
Honestly I can't shake it
