Avril Lavigne - Basket Case (cover)

```
Αb
 Do you have the time
                                                       Sometimes I give myself the creeps
    Fm Cm
                                                        Eb
 To listen to me whine
                                                       Sometimes my mind plays tricks on me
  Db Ab
                                                       It all keeps adding up
 About nothing and everything all at once
                                                        Ab Gb
