

Avril Lavigne - Head Above Water

Tom: **C**

apotraste na 3ª casa

Intro: **Bm G D**

[Primeira Parte]

I've gotta **Bm** keep the **G** calm before the **D** storm
Bm I don't want less, **G** I don't want **D** more
Bm Must bar the windows and the doors
Bm To keep me safe, **G** to keep me **D** warm

[Segunda Parte]

Yeah, my life is what I'm fighting for
Bm Can't part the sea, **G** can't reach the **D** shore
Bm And my voice becomes the driving force
Bm I won't let this pull me overboard

[Refrão]

God, keep my **Bm** head above **G** water
D Don't let me drown
A It gets harder
Bm I'll met you there at the **G** altar
D As I fall down to my **A** knees
Bm Don't let me drown, drown, drown
D Don't let me, don't let me, don't let me **A** drown

[Terceira Parte]

Bm So pull me up from down below
Bm Cause I'm underneath the **G** undertow
Bm Come dry me off and hold me **D** close
Bm I need you now, **G** I need you **D** most

[Refrão]

God, keep my **Bm** head above **G** water
D

Don't let me drown

A It gets harder
Bm I'll met you there at the **G** altar
D As I fall down to my **A** knees
Bm Don't let me drown, drown, drown
D Don't let me, don't let me, don't let me **A** drown
Bm Don't let me drown, drown, drown
D (Don't let me, don't let me, don't let me **A** drown)
 Keep my head above water, above water

[Ponte]

G A D And I can't see in the **Bm A** stormy weather
G A D I can't seem to keep it all together
G A D And I can't swim the ocean like this **Bm A** forever
G A And I can't breath

[Refrão]

God, keep my **Bm** head above **G** water
D I loose my breath
A At the bottom
Bm Come rescue me, I'll be waiting **G**
D I'm too young to fall asleep **A**
Bm God, keep my head above **G** water
D Don't let me drown
A It gets harder
Bm I'll met you there at the **G** altar
D As I fall down to my **A** knees
Bm G Don't let me dro-own
D Don't let me, don't let me, don't let me **A** drown
Bm G Don't let me dro-own
D (Don't let me, don't let me, don't let me **A** drown)
 Keep my head above water, above water
