

Avril Lavigne - Here's To Never Growing Up

Tom: F

F C Dm Bb

Singing radiohead at the top of our lungs
When the boombox's playing as we're falling in love

F C Dm Bb

gotta a bottle of whatever
but it's getting us drunk
Singing here's to never growing

F Dm Bb

We call up all our friends
go hard this weekend

F Dm Bb

for no damn reason
And I don't think we'll ever change

F Dm Bb

meet you at the spot
half past ten o'clock

F Dm Bb

we don't ever stop
And we're never gonna change

Gm Bb

Say, I'll just say forever Stay

Gm Bb

If you stay forever, hey

Gm Bb

we can stay forever young

F C Dm Bb

Singing radiohead at the top of our lungs
With the boombox playing as we're falling in love

F C Dm Bb

gotta a bottle of whatever
but it's getting us drunk
Singing here's to never growing

F C Dm Bb

When we're running down the street
yellin' kiss my

I'm like yeah whatever we're still living like that

F C Dm Bb

when the sun's going down
we'll be raising up top
singing here's to never growing up

F C Dm Bb

oh oh, oh oh (here's to never growing up)

F C Dm Bb

oh oh, oh oh (here's to never growing up)

F Dm Bb

We live like rockstars
dance on every bar

F Dm Bb

this is who we are

And I don't think we'll ever change

F Dm Bb

They say just grow up
but they don't know us

F Dm Bb

we don't give a fuck
and we're never gonna change

Gm Bb

Say, I'll just say forever Stay

Gm Bb

If you stay forever, hey

Gm Bb

we can stay forever young

F C Dm Bb

Singing radiohead at the top of our lungs
With the boombox playing as we're falling in love

F C Dm Bb

gotta a bottle of whatever
but it's getting us drunk
Singing here's to never growing

F C Dm Bb

When we're running down the street
yellin' kiss my ass

F C Dm Bb

I'm like yeah whatever we're still living like that
when the sun's going down
we'll be raising up top

F C Dm Bb

singing here's to never growing up
oh oh, oh oh (here's to never growing up)
oh oh, oh oh (here's to never growing up)
