## **Avril Lavigne - Hot**

```
And I will let you do anything, again and again
Tom: Ab
Intro: Base: Ab Eb Bbm Db 2X
                                                               Bbm
                                                                                    Db
                                                                   Now you're in and you can't get out
Solo:
                                                               REFRÃO:
Riff 1
                                                                               Eb Eb
                                                               You make me so hot
You're so good to me baby baby
                                                                              Bbm Bbm
                                                               Make me wanna drop
                                 Cm
                                            Db
                                                                              Db Db
              Fm
    I want to lock you up in my closet, where no one's around
                                                               You're so ridiculous
Ab
                                           Db
             Fm
                                Cm
                                                                              Ab Ab
   I want to put your hand in my pocket, because you're
                                                               I can barely stop
                                                                              Eb Eb
allowed
                                                               I can hardly breathe
Ab
              Fm
                                 Cm
                                            Db
    I want to drive you into the corner, and kiss you without
                                                                              Bbm Bbm
                                                               You make me wanna scream
a sound
              Fm
                                 Cm
                                            Db
Ab
                                                                              Dh Dh
    I want to stay this way forever, I'll say it loud
                                                               You're so fabulous
Bbm
                    Db
                                                                                 (Ab Eb Bbm ) Riff 1
   Now you're in and you can't get out
                                                               You're so good to me Baby Baby
                                                                      Db
                                                                               (Ab Eb Bbm ) Riff 1
REFRÃO:
                                                               You're so good to me Baby Baby
               Eb Eb
You make me so hot
                                                               Riff 3
               Bbm Bbm
                                                               Kiss me gently
Make me wanna drop
              Db Db
                                                               Always I know
You're so ridiculous
              Ab Ab
                                                               Hold me love me
I can barely stop
                                                                        (Ab Eb Bbm Db )
               Eb Eb
                                                               Don't ever go
I can hardly breathe
               Bbm Bbm
                                                               REFRÃO:
You make me wanna scream
                                                                               Eb Eb
              Db Db
                                                               You make me so hot
You're so fabulous
                                                                              Bbm Bbm
                 (Ab Eb Bbm ) Riff 1
                                                               Make me wanna drop
You're so good to me Baby Baby
                                                                              Db Db
       Db
                (Ab Eb Bbm ) Riff 1
                                                               You're so ridiculous
You're so good to me Baby Baby
                                                                              Ab Ab
                                                               I can barely stop
                                                                              Eb Eb
Verso:
Riff 2
                                                               I can hardly breathe
                                                                              Bbm Bbm
                                                               You make me wanna scream
             Fm
                                Cm
                                           Db
                                                                              Db Db
Ab
    I can make you feel all better, just take it in
                                                               You're so fabulous
Ab
             Fm
                                 Cm
                                            Db
                                                                                (Ab Eb Bbm ) Riff 1
                                                               You're so good to me Baby Baby
    And I can show you all the places, you've never been
                                                                      Db (Ab Eb Bbm ) Riff 1
