

Avril Lavigne - How You Remind Me

```
Tom: C
  Base: Dm F C G
Never made it as a wise man
I couldn't cut it as a poor man stealing
Tired of living like a blind man
I'm sick of sight without a sense of feeling
(Dm F C G )
               C
This is how you remind me
This is how you remind me
Of what I really am
It's not like you to say sorry
I was waiting on a different story
This time I'm mistaken
For handing you a heart worth breaking
And I've been wrong, I've been down
Been to the bottom of every bottle Dm F
These five words in my head
Scream, Are we having fun yet?
Are we having fun yet?
(Dm F C G )
It's not like you didn't know that
I said I loved you and I swear I still do
It must have been so bad
'Cause living with me must've damn near killed you
```
