Avril Lavigne - Iris

```
I just want you to know who I am
   (intro)
                                                             (bridge - intro)
                                                             (verso 2)
                                                                                   Em
                                                             And you can't fight the tears that ain't coming Bm A G
(verso 1)
                                                             {\sf Bm} {\sf A} {\sf G} Or the moment of truth in your lies
                                                                D Em G
And I'd give up forever to touch you
                                                             When everything feels like the movies
      Bm
Cause I know that you feel me somehow
                                                             Yeah, you bleed just to know you're alive
D Em G
You're the closest to heaven that I'll ever be
                                                             (refrão)
Bm A G
And I don't want go home right now
                                                             (outro)
Bm A
And all I can breath is your life
    D Em G
And sooner or later it's over
Bm A G
I just don't want to miss you tonight
                                                             (solo)
(refrão)
And I don't want the world to see me
                                                             (refrão 2x)
Cause I don't think that they'd understand
D Em G
When everything's made to be broken
                                                             I just want you to know who I am (4x)
