Avril Lavigne - Ironic (cover - Alanis Morissete)

Tom: B

```
     Gb  B   Gb            Abm
an old man turned ninety-eight
         Gb  B     Gb            Abm
he won the lottery and died the next day
       Gb      B          Gb    Abm
it's a black fly in your chardonnay
       Gb         B          Gb      Abm
it's a death row pardon two minutes to late
           Gb   B            Gb      Abm
isn't it ironic... don't you think
                    Gb B        Gb       Abm
chorus:    it's like rain on your wedding day
                   Gb B            Gb     Abm
          it's a free ride when you've already paid
                  Gb  B         Gb        Abm
          it's the good advice that you just didn't take
          A            E          Gb
          who would have thought... it figures
mr. play-it-safe was afraid to fly
he packed his suitcase and kissed his kids good-bye
he waited his whole damn life just to take that flight
and as the plane crashed down he thouht "well isn't this
nice..."
           Gb    B          Gb     Abm
and isn't it ironic... don't you think?
```

(chorus)
```
         B                        Gb
well life has a funny way of sneaking up on you
                                       Abm
when you think everything is okay and everything's going right
         B                       Gb
and life has a funny way of helping you out when
                                  Abm
you think everything's gone wrong and everything blows up in
your face
B    Gb   (B very short)
a traffic jam when you are already late
a no-smoking sign on your cigarette break
it's like ten thousand spoons when all you need is a knife
it's like meeting the man of my dreams then meeting his
beautiful wife
          Gb      B        Gb      Abm
and isn't it ironic... don't you think?
          Gb    B         Gb        Abm
a little too ironic... and yeah i really do think...
(chorus)
 B                             Gb
life has a funny way of sneaking up on you
 B                       Gb               B
life has a funny, funny way  of helping you out -- helping you
out
```
