

## **Avril Lavigne - Losing Grip**

```
I was left to cry there waiting outside there grinning with a
Intro: 2x: Am F G F
                                                             That's when I decided
Are you aware of what you make me feel baby
                                                             Why should I care
Right now I feel invisible to you like I'm not real
                                                                                        Fm
                         G
Didn't you feel me lock my arms around you why'd you turn away
                                                             Cause you weren't there when I was scared I was so alone
                      G F
Here's what I have to say
                                                             You, you need to listen
                                                             I'm starting to trip I'm losing my grip and I'm in this thing
I was left to cry there waiting outside there grinning with a
                                                                               G
                                                             Cryin' out loud I'm cryin out loud
That's when I decided
                                                                      F
                                                                              G
                                                             Cryin' out loud I'm cryin out loud
Why should I care
                                                                        G F
     Α
Cause you weren't there when I was scared I was so alone
                                                               Open your eyes
              F Em
You, you need to listen
                                                               Open up wide
                                                             A Em
                                                                           F Em
I'm starting to trip I'm losing my grip and I'm in this thing
                                                             Why
                                                                     should I care
                                                             Cause you weren't there when I was scared I was so alone
Am F G F
                                                             Why should I care
Am I just some chick you place beside you to take somebody's
                                                                                        Em
                                                             Cause you weren't there when I was scared I was so alone
Am
                                                             A Em
                                                              Why shoud i care
When you turn around can you recognize my face
                                                                                     Fm
You used to love me you used to hug me but that wasn't the
                                                             If you don't care then i don't care We're not goin' anywhere
Everything wasn't okay
                                                             Why shoud i care
                                                                                     Em
                                   F
                                                             If you don't care then i don't care We're not goin' anywhere.
```
