

Avril Lavigne - Love It When You Hate Me (feat. blackbear)

tom:

Dm

[Primeira Parte]

I'm a lush
 And I'm drunk again
 Off another crush
 Don't rush
 Just take your time
 Don't feel too much
 And how about you
 just take some blame?
 I always take all the pain
 You should just forget my name
 [Pré-Refrão]

And I, ignore all
 the warning signs
 Fall for you every time

[Refrão]

Don't call me baby
 I love it when it you hate me
 I know it's crazy
 I love it when you hate me
 The highs, the lows
 the yes, the no's
 You're so hot when you get cold
 Don't call me baby
 I love it when you hate me

(Dm)

[Segunda Parte]

Yeah, I love it when you hate me
 Wish you could erase me
 I've been so depressed
 I don't think anyone could save me
 Look at what you did, girl,
 look at how you changed me
 Funny how you twisting up
 the truth and then you blame me

Dm

Running out of fucks
 that I could give to you
 But you could still be pretty
 on the inside, too
 Your heart is so cold
 but I love the way you lie
 Shoulda seen the red flags
 but for you I'm fucking blind

[Pré-Refrão]

And I, ignore all
 the warning signs
 Fall for you every time

[Refrão]

Don't call me baby
 I love it when it you hate me
 I know it's crazy
 I love it when you hate me
 The highs, the lows
 the yes, the no's
 You're so hot when you get cold
 Don't call me baby
 I love it when you hate me
 (F Bb F C)

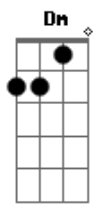

[Pré-Refrão]

And I, ignore all
 the warning signs
 Fall for you every time

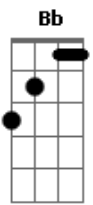

[Refrão]

Don't call me baby
 I love it when it you hate me
 I know it's crazy
 I love it when you hate me
 The highs, the lows
 the yes, the no's
 You're so hot when you get cold
 Don't call me baby
 I love it when you hate me
