Lets talk this over; its not like we're dead
Was it something i did? Was it something you said?
Don't leave me hanging in a city so dead
Held up so high on such a breakable thread

And you were all the things I thought I knew
And I thought we could be

G **D** **A**
You were everything, everything that I wanted
And we were meant to be, supposed to be, but we lost it
And all of the memories so close to me just fade away
All this time you were pretending, so much for my happy ending

You've got your dumb friends, I know what they say
They tell you I'm difficult, but so are they
B But they don't know me, do they even know you?
All the things you hide from me, all the shit that you do

It's nice to know that you were there
Thanks for acting like you cared

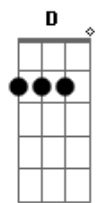

And making me feel like I was the only one
It's nice to know we had it all, thanks for watching as I fall
And letting me know we were done
