

Avril Lavigne - Runaway

Tom: C

(C C F G)

Got up on the wrong side of life today yeah
Crashed the car and I'm gonna be really late
My phone doesn't work cause it's out of range
Looks like it's just one of those kind of days
You can't kick me down I'm already on the ground
No you can't cause you couldn't catch me anyhow
Blue skies but the sun isn't coming out no
Today it's like I'm under a heavy cloud

(C C G F G)

And I feel so alive
I can't help myself, don't you realize

(coro)

Am C
I just wanna scream and lose control
F
Throw my hands up and let it go
Am C F Am F Am
Forget about everything and runaway yeah
C C
I just want to fall and lose myself
F
Laughing so hard it hurts like hell
C Am F Am F Am
Forget about everything and runaway yeah

(C C F G)

So So is how I'm doing if you're wondering
I'm in a fight with the world but I'm winning
Stay there come closer it's at your own risk
Yeah you know how it is life can be a bitch

(C C F G)

But I feel so alive
I can't help myself, don't you realize

(coro)

Am C
I just wanna scream and lose control
F
Throw my hands up and let it go
Am C F C F C
Forget about everything and runaway yeah
Am C
I just want to fall and lose myself
