There's a leak in this boat

Someone toss me a rope
And a headrest for my, headrest for my soul

There's a leak in this boat

How the hell will I float
With this headrest for my, headrest for my soul
I got a headrest for my, headrest for my soul

Let the whispers unfold

If the hospital burns
Ab
If it's really my turn
E F E
How the hell will I, how the hell should I learn
