

Axl Rose - Used To Love Her

```
Tom: C
(forma dos acordes no tom de Db )
                          Afinação: Eb Ab Db Gb Bb Eb
Intro: D A G A
                                                              [Quinta Estrofe]
                                                                I used to love her
                                                                But I had to kill her
                                                                I used to love her, (whoa yeah)
                                                                But i had to kill her
[Primeira Estrofe]
                                                              [Sexta Estrofe]
 I used to love her
                                                                She bitched so much
 But i had to kill her
                                                                She drove me nuts
           Α
 I used to love her
                                                                And now we're happier this way
 But i had to kill her
                                                                 D A G A G A G A G A G A D
[Segunda Estrofe]
```

```
I had to put her

A Six feet under

A A D
And I can still hear her complain

[Terceira Estrofe]

A I used to love her

A But I had to kill her

A I used to love her

A But I had to kill her

[Quarta Estrofe]

A So I had to keep her

A She's buried right in my backyard
```
