

AXTY - What I've Become

tom:

Abm

Now I know
Gb
That all bad had to happen
Abm
After all I've been thru
E7M
I found my heaven
Abm
Look what I've become
Gb Abm E7M
I've lost myself but here I stand
Abm
I know that when we're down there

We're falling apart
Gb
The pain is never ending
Abm
And the heal looks so far
E7M
The things they say to you

Are gonna tear you down
Abm
Have you ever wondered
Gb
How arrogant you are?
E7M
To believe that your true
Ebm
Is the only one so far

Abm
Now I know
Gb
That all bad had to happen
Abm
After all I've been thru
E
I found my heaven
Abm

Look what I've become
Gb Abm E7M
I've lost myself but here I stand

(Still moving forward
Now I am stronger than ever)
