tom:

Abm

Now I know
Gb
That all bad had to happen
Abm
After all I've been thru
E
I found my heaven
Abm
Look what I've become
Gb
I've lost myself but here I stand Abm E
Abm
I know that when we're down there

We're falling apart
Gb
The pain is never ending
Abm
And the heal looks so far
E
The things they say to you

Are gonna tear you down
Abm
Have you ever wondered
Gb
How arrogant you are?
E
To believe that your true
Ebm
Is the only one so far

Abm
Now I know
Gb
That all bad had to happen
Abm
After all I've been thru
E
I found my heaven
Abm

Look what I've become
Gb
I've lost myself but here I stand Abm E
(Still moving forward
Now I am stronger than ever)
