

# Aya Rezos - Descarrego

tom:

Intro: Am Dm G Am

A fumaça sobe devagar  
 Trazendo o cheiro do luar  
 No toque manso do rosal  
 A mata canta o bem sem mal

Alecrim vem me proteger  
 Ben joim faz o mal correr  
 Alfazema é flor do bem  
 Que trás do céu axé que tem

Alecrim, Alfazema e ben juim  
 Vão limpando o meu caminho assim

Com a força das folhas do jardim  
 O axé da mata vem pra mim

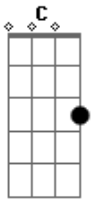

Am Dm G Am

Erva doce chama iansã  
 Com Arruda clareia amanhã  
 Guiné, levante manjericão  
 Firmão a fé no meu coração

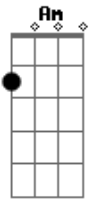

Salve as folhas de Oxossi caçador  
 Salve a cura que vem do amor  
 No cheiro doce da defumação  
 Mora a paz da nossa oração

[Refrão]
