## **B-Ferreira - Listen Me**

Tom: Ab	to fulfill old promises
(com acordes na forma de G) Capostraste na lª casa Intro: E G Bm D C B	D you know I'm the best for you Bm so forget the size and think about your life without me
C E When I say I love you I am not speaking only of your body G Bm and you know who loves you so, right? everybody D C I promise to be single, I just need a chance C E to prove that my love will not change G Bm even if you confuse them with the world D C I'll help you just need that word C one chance, one chance	<pre>E I was never a great guy as you like G but I want to be that loves you Bm one who can not live without you C D so I'll avoid promises because it was what did you give up ok, I'll try to improve, come on! E I'll do another crazy promise G even if they say they will not comply</pre>
My last attempt to show that I am better G Please just think this, give me one more chance	C but I just ask you something B you and me today, tomorrow and forever
E I'll do another crazy promise G even if they say they will not comply	G G you know what have to do, listen to me E listen to me
C but I just ask you something B listen to me, listen to me	D you know, you know, you know C listen to me
G you know, you know, you know E listen to me Rm	Dm And so at that school on the main street Bm three chairs difference was what pulled me
Bm At this time all try to be someone better G but I realized that no one calls you to Best E I just need one person and one more chance C	c you and I today, tomorrow and forever Dm you know what have to do G Listen to me
