Tom: G

I don?t wanna  
 Loose someone like you  
 They say you're bad  
 But what harm could you do?  
 I let you drag me through the street at three  
 Now when I drive down you're all that I see  
 I want you outta my head  
 I want you outta my mind  
 I wonder what are you doing  
 I think of you all the time  
 But I still know I don't need you  
 Im better off without  
 But do you still think of me?  
 Not something I would doubt  
 I hear your name and I still turn my head  
 Do you really think that I'd be better off dead?

I can't wait for the day that I see you again  
 So I can ignore you and show you how good I've been  
 I got you outta my head  
 I got you outta my mind  
 Don't wonder what you're doing  
 That's just a waste of my time  
 And I know I don't need you  
 Im better off without  
 I can't believe that I missed you  
 You are nothing to cry about  
 Nothing to cry about  
 Nothing to  
 Nothing to cry about  
 Nothing to cry about  
 Nothing to  
 Nothing to cry about  
 Nothing to  
 Nothing to
