

Babado Novo - Cai fora

Tom: C

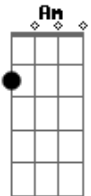

eu não quero te prender,
 diga aonde você vai amor, que pena, que pena
 eu fiz tudo por você,
 você nem me deu valor amor, que pena
 agora quando eu passo você quer me dar um beijo
 vive dizendo que eu sou sua mina
 sai pra lá, hoje eu sou mulher e não sou mais menina
 hoje eu sou gatinha e você que me conquistar
 mas eu tô no ponto e você passou da hora

que pena amor, cai fora
 que pena amor, cai fora
 perere perere perere opa
 perere perere perere
 perere perere perere ,cai fora
 perere perere perere opa
 perere perere perere
 perere perere perere ,cai fora
 (solo) Am G Am F E Am
 repete tudo
