

Baby do Brasil - O Que Vier Eu Traço

tom:

Intro: C E7 Am Bb
B C Dm
G7 C G7

Quando canto meu sambinha batucada
A turma fica abismada

Com a bossa que eu faço

Faço não me embaraço

Porque não há tempo

Marco o meu contratempo

Dentro do compasso

Quem não tiver o ritmo na alma

Nem cantando com mais calma

Faz o que eu faço

Samba canção, samba de breque, batucada

Pra mim não é nada

O que vier eu traço

Não tenho veia poética

Mas canto com muita tática

Não faço questão de métrica

Mas não dispenso a gramática

Não me atrapalho na música

Nem mesmo sendo sinfônica

Procuro tornar simpática

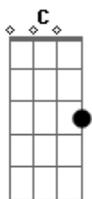

A minha voz microfônica

(C E7 Am Bb)

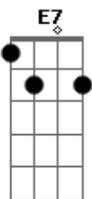

(B C Dm)

(G7 C G7)
