

# Backstreet Boys - Don'T Want You Back

Tom: **Bb**

You hit me faster than a shark attack  
You saw my picture  
On the Backstreet's Back, alright  
And you were more than just a pretty face  
But how you fooled me, I'm still amazed baby  
But I should have known that I would be  
Another victim of your sexuality  
But now we're done and over with  
I don't want you back

CHORUS  
Don't want you back  
'Cause you're no good for me  
I know  
That's all I can say  
Don't want you back  
Forgive my honesty but you gotta go

I don't want you back

You started going out with so-called friends  
But I was blind and so I lost all common sense  
But there were things that made me realize  
Like all the hundred no, thousand lies

CHORUS - repeat

Baby, don't bother telling me your reasons why

Just let us sing this story 'bout you and I  
Don't want you back  
That's all I know  
Don't want you back  
All I can say  
Don't want you back  
You know you gotta go

CHORUS - repeat

## Acordes
