

Backstreet Boys - Just Want You To Know

Tom: D

D
Looking at your picture from when we first met

A
You gave me a smile that I could never forget

Em
G
And nothing I could do could protect me from you that night

D
Wrapped around your finger, always on my mind

A
The days would blend 'cause we stayed up all night

Em
A
Yeah, you and I were everything, everything to me

D
I just want you to know that I've been fighting to let you go

Em
G
Some days I make it through and then there's nights that never

A
end

D
A
I wish that I could believe that there's a day you'll come back to me

Em
G
But still I have to say I would do it all again

D
Just want you to know

All the doors are closing I'm tryin' to move ahead

A
And deep inside I wish it's me instead

Em
G
My dreams are empty from the day, the day you slipped away

A
I just want you to know that I've been fighting to let you go

Em

Some days I make it through and then there's nights that never

A
end
