Backstreet Boys - Love Will Keep You Up All Night

Tom: Eb
Intro: Cm F Bb

```
            Cm     F
I won't tell nobody
                    Bb    Eb
I'll just scream it in my mind
                    Cm
Nothing good in life is scripted
              F
It's not like we predilected
        Ab
That the one you want
                Eb
Is going to be the one you thought

            Cm     F
I won't tell nobody
                  Bb        Eb
But I won't live like a prisoner
                  Cm
Nothing has to be so perfect
                       F
Can you tell me was it worth it
          Ab
Because her heart can't lie
                    Eb
And even though her face may try
            Ab         Eb
Love can keep you up all night

                  Bb
Cause love will keep you up all night
                        F
It's nothing that you can't decide
      Ab
One day you're all alone
              Eb
The next you're crying on the phone
              Bb
Love will keep you up all night
                        F
You gotta taste the sweet divine
            Eb
To get to the other side
              Bb
Love will keep you up all night

                Cm          F
If I don't tell a living soul
                  Bb
Still everyone would know
            Eb
Yes, they would
              Bb Cm
It's always 3 am somewhere
                        F
You know it when you get there
              Ab
Some people try to cover it up
                    Eb
Some people think it's never enough

                        Bb
```

```
Ooooh, love will keep you up all night
                        F
It's nothing that you can't decide
      Ab
One day you're all alone
              Eb
The next you're crying on the phone
              Bb
Love will keep you up all night
                        F
You gotta taste the sweet divine
            Eb
To get to the other side
                  Bb
Oh, love will keep you up all night, Ooh

Eb
I don't mean to scare you
                        Bb
But everybody has a first time
Eb
One day when you're old and gray

Don't look back and never say
        Ab
You should have tried
            Eb
Stayed up all night

                  Bb
Love will keep you up all night
                        F
It's something that you can't decide
      Ab
One day you're all alone
              Eb
The next you're crying on the phone
              Bb
Love will keep you up all night
                      F
You gotta taste the sweet divine
              Eb
It took you to the other side

                  Bb
Love will keep you up all night
                      F
It's something that you can't decide
        Ab
One day you're all alone
              Eb
The next you're crying on the phone
              Bb
Love will keep you up all night
                      F
You gotta taste the sweet divine
              Eb
It took you to the other side

                  (Bb )
Love will keep you up all night
Love will keep you up all night
Love will keep you up all night
