

# Backstreet Boys - Shining Star

Tom: **C**

CHORUS

You're my shining star  
That is what you are  
There is no one like you baby  
Angels everywhere  
Everytime you're near  
You will always be my baby

Baby, when you do the things you do  
I wanna be close to you  
'Cause I need to feel your every move, oh  
Baby you can never say how much  
I need your touch, I can't get enough  
'Cause you know what to do to turn me on

CHORUS - repeat

Baby, you're as close as close can get  
And baby you know I let  
Every single part of me be yours, ooh yeah  
It doesn't matter if the phone might ring

'Cause I won't hear a thing when I'm in your arms  
'Cause you know what to do to turn me on

CHORUS - repeat

I've never been so satisfied  
With anything in my entire life  
'Cause you were doing everything so right  
Oh, oh baby  
I've never been so satisfied  
With anything in my entire life  
'Cause you were doing everything so right  
Oh, oh baby

CHORUS - repeat

You know that I adore you  
Wanna be there everyday for you  
To satisfy your every needs my baby, baby  
You know that I adore you  
Wanna be there everyday for you  
To satisfy your every needs my baby, baby

CHORUS - repeat

## Acordes
