

# Backstreet Boys - Show 'em (what You're Made Of)

Tom: Eb

(com acordes na forma de Capotraste na 3ª casa C )

I've seen it all a thousand times

Fallen down, I'm still alive

Am I? Am I?

So hard to breathe when the water's high

No need to swim, I'll learn to fly

So high, so high

You'll find the truth in a child's eyes

When the only limit is the sky

Living proof, I see myself in you

When walls start to close in

Your heart is frozen over

Just show 'em what you're made of

When sunlight is fading

The world will be waiting for you

Just show 'em what you're made of  
(Just show 'em what you're made of)

The gloves are off ready to fight

Like a lion, I will survive

Will I? Will I?

You gotta stand for something

Even if you stand alone

Don't be afraid, it's gonna be alright

( F C G Am )

You'll find the truth in a child's eyes

When the only limit is the sky

( F C G )

Living proof, I see myself in you

( C G F )

When walls start to close in

Your heart is frozen over

Just show 'em what you're made of

When sunlight is fading

The world will be waiting for you

Just show 'em what you're made of

Just show 'em what you're made of

( C G F )

Just show 'em what you're made of

Just show 'em what you're made of

( F C G Am )

You'll find the truth in a child's eyes

When the only limit is the sky

( F C G )

Living proof, I see myself in you

(Batidas)

When walls start to close in

Your heart is frozen over

Just show 'em what you're made of

(You can show 'em what you're made of)

( C G F )

When sunlight is fading

The world will be waiting for you

Just show 'em what you're made of

(You can show 'em what you're made of)

Just show 'em what you're made of

Just show 'em what you're made of
