

Bad Religion - Adams Atoms

Tom: G
 Intro: Em D
 Some live, some die
 C G D C
 Everybody wonders why we're here should even try
 G D C G
 Philosophies lost in the night

Verse1:
 D C
 A beacon in the distance, you gotta turn around
 G D
 Its vestige deeply flickers in elocution sound
 D G
 The modernist chronometer uptining underbound
 C D
 Pretensions of a higher ground

Chorus1:
 C Em
 Higher ground
 G D Em
 Intro: spective paradise found
 C Em G D Em
 Adam's atoms resound

Verse2:
 The economy of nature, the dead and shallow graves
 The particles of happiness elude us in their names

Eternal is the night and day

Chorus2:
 Night and day
 Omnipresency those who fade
 Adam's atoms remain

Break:
 Em D C G D C G D
 G

Verse3:
 The righteous opposition has led us all astray
 One side against the other, one loses one reclaimed
 And if reconciliation eludes us every day
 Then will we ever find a way?

Last Chorus:
 C Em
 Find a way
 G D Em
 Not without religion as gaze
 C Em G D Em
 Adam's atoms remain
 C Em G D Em
 Adam's atoms betray
 C Em G D Em
 Adam's atoms remain
