

Bad Religion - Athiest Peace

Tom: **F**

Tabbed by:Antone

Tuning: standard

This is my first tab and this is the best song of the new album,I cant fucking believe nobody tabed this song yet. I'm possitive that this is correct except for one note in the intro but u can't notice it, and I didn't tab the little solo in the intro but what ya gonna do. You'll have to figure out the strumming pattern yourself because I'm too fucking lazy to tab it out, but its easy if you listen to the song. As for the Outro play around with the chords in the intro and you might be able to figure it out.

Intro: 2x

Verse: 2x

Chorus: 1x

If you cant figure it out your a Dumb Ass
