

# Bad Religion - Candidate

Tom: **B** I'll make it go away (ay, ay, ay)

m

As I walk along this road paved with human kindness **Bm**  
 I can never forget the price you've paid  
 I'm an actor on a role, an artificial virus  
 I'm your daddy, I'm your disgrace  
 I say, "Kid just move along we don't want it, don't need it  
 Your politics just breed despair"  
 I salute an empty flag of ancient tribalism and trust me  
 Nobody cares ... For I ... am your

 Candidate  
 I am bloody lips and makeup (uh) (uh)  
 I'm your caliphate  
 Opioids and mutilation  
 A celebrity  
 And my name is competition (uh) (uh)  
 I've come to bear your pain (bear your pain)  
 And I can make it go away  
 I'll make it go away,

**G** **D** **Gb** **Bm**  
 Believers, dupes and clowns I want you all to gather 'round  
 To glorify ignorance and fear  
 I dispense misinformation to a post-truth generation  
 My darlings  
 Don't shed a tear ... For I ... am your

 I am bloody lips and makeup (uh) (uh)  
 I'm your caliphate  
 Opioids and mutilation  
 An hermaphrodite  
 In restrooms and service stations (uh) (uh)  
 I truly feel your pain (feel your pain)  
 And I can make it go away  
 I'll make it go away  
 I'll make it go awa-ay!
