

## **Bad Religion - Chronophobia**

Intro: Em Em Em Em Intro: Gm Gm Gm Gm Verse1: Verso: This rational delusions have got to cease This rational delusions have got to cease Em Fm Fm Em Gm Gm The second hand has finally got the vast of me The second hand has finally got the vast of me Em Em Gm Gm I am too aware about singularity I am too aware of singularity Gm They brought me to the edge of time They brought me to the edge of time And it's all is in my mind! Now And it's all is in my mind! Now Pre-chorus1: Pre-refrao1: В D Bb They say the ...... are coming back some day They say the ...... are coming back some day

Bb F D Bb Eb The world is turning faster but it just won't wait The world is turning faster but it just won't wait Eb and I'm desperate to try almost anything to evade.. and I'm desperate to try almost anything to evade.. Chorus(2x): refrao(2x): Em Em Gm Gm A simple chronophobia A simple chronophobia Em Em Em Gm Gm Gm A simple chronophobia now A simple chronophobia now Verse2: Verso2: Maybe there's a science or technology Maybe there's a science or technology To help me come to terms with my maker To help me come to terms with my maker Since Natural Selection never banged on me Since Natural Selection never banged on me I must be an exception to the plan I must be an exception to the plan Someone help me understand! Now Someone help me understand! Now Pre-chorus2: Pre-refrao2: Cryogenic methods are injectable Cryogenic methods are injectable And colagen polymers aren't so terrible And colagen polymers aren't so terrible But they still can't prevent the inevitable... But they still can't prevent the inevitable... ------ Termina em Bb
