

Bad Religion - Inner Logic

Tom: **D**

(verse rythm)

D Bb C D

Automatons with business suits, swinging black boxes

D Bb C D

Sequestering the blueprints of dayly life

D Bb C D

Content and free of care they rejoice in morning rituals

D Bb C D

As they file like drone ant colonies to their office in the sky

Refrão -----

D Bb Db C

I don't ask questions, don't promote demonstration

Bb Db A

Don't look for new concensus, don't stray from constitution

D Bb Db C

If I pierce the complexity I won't find salvation

Bb Db A

Just the bald and overt truth of the evil and deception

Refrão -----

D Bb F G C

There is an inner logic

D Bb F G C

And we're taught to stay far from it

D Bb F G C

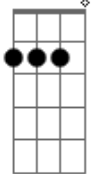

It is simple and elegant

D Bb F G C

But it's cruel and antithetic
