Dm
I ain't superstitious but, hey, do you know a good exorcist?
A
Dm
Despite darker tendencies I've always had a strong bias to exist
A
Dm
And though recent developments seem like bad news for humanity
A
Self-pity is always a case of mistake identity

F
Don't lose your head
F
Don't lose your head
F D
Don't lose your head
F
Don't lose your head
D
Before you lose your head, yeah

A
Dm
Religion, who needs it? And by the way, how should we bury our dead?
A
Dm
"i doubt that it matters much, son", that's what the postman said
A
There's an accident waiting to happen at all times anyway

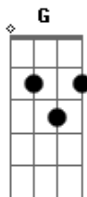

A
And maybe we'd all benefit from some epistemic humility
F
G
Don't lose your head
