 Bb F C C

But we've got to break out from this insulated blind and lame Solo:
 senility

Chorus:

Wake up the new america Wo-oh! wo-oh!
 Bb F C

Transcend the mass hysteria Wo-oh! wo-oh!
 Bb F C

Change is the thing you're wary of Wo-oh! wo-oh!

We need a new america Wo-oh! wo-oh!

guit2)

(Intro)

Laurels, human triumph, bestowments from the past
 Victories don't mean a thing if they don't last

We are just marching toward extinction with blinders on our
 Bb F C C

eyes

Bb F C

Jeopardizing everything we've learned and come to realize you
 call that wise?

Open your eyes america Wo-oh! wo-oh!
 Bb F C

See through the lies they tell to us Wo-oh! wo-oh!
 Bb F C

Confront the fears that worry us Wo-oh! wo-oh!
 Bb F C

We need a new america Wo-oh! wo-oh!

(Bb F)

We don't have to be afraid to re-invent we've got to start to
 build,
 Progress, and implement for when we take our fill,
 And never pay the price we only build ourselves a fleeting,
 false paradise

you can live in staunch denial and mark me as your enemy
 but I'm just a voice among the throng who want a brighter
 destiny
 they say with me

We are the new america Wo-oh! wo-oh!
 Bb F C

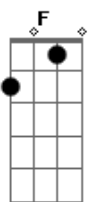

this is the new america? Wo-oh! wo-oh!
 Bb F C

We are the new america Wo-oh! wo-oh!
 Bb F C

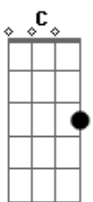

this is the new america? Wo-oh! wo-oh!
