

## Bad Religion - Positive Aspect

Tom: **G**

let's <sup>**D**</sup>gather 'round the carcass of the old <sup>**A**</sup>deflated beast,  
 we have seen it through the <sup>**C**</sup>accolades and rested in its <sup>**G**</sup>lea,  
 syntactic is our <sup>**D**</sup>elegance, incisive <sup>**A**</sup>our disease,  
 the <sup>**C**</sup>swath endogenous of ourselves will be our <sup>**G**</sup>quandary, <sup>**D**</sup>  
 we've <sup>**D**</sup>nestled in its hollow and we've <sup>**A**</sup>suckled at its breast,  
 grandiloquent our <sup>**C**</sup>attitude, impassioned yet <sup>**G**</sup>inept,  
<sup>**D**</sup>frivolous gavel our design, <sup>**A**</sup>ludicrous our threat,  
<sup>**C**</sup>excursive expeditions leave us holding less and less, <sup>**D**</sup>  
 so what does it <sup>**A**</sup>mean?

when we <sup>**F**</sup>tell ourselves it's only for a while we have been <sup>**C**</sup>deceived  
 and it's <sup>**Bb**</sup>only for a moment that the <sup>**F**</sup>treasures of our day make  
 life <sup>**C**</sup>easier to complicate, the <sup>**Bb**</sup>treasure thrown away,  
<sup>**G**</sup>I'm <sup>**Ab**</sup>so tired of all the <sup>**F**</sup>fucked up minds <sup>**Ab**</sup>  
 of all the <sup>**G**</sup>terrorist religions and their <sup>**Ab**</sup>bullshit lines, <sup>**F**</sup>  
 of all the <sup>**G**</sup>hand-me-downs from all <sup>**Ab**</sup>industrial crimes <sup>**F**</sup>  
 and the <sup>**G**</sup>weeping mothers and those who are <sup>**Ab**</sup>led so blind, <sup>**F**</sup>  
 from the <sup>**G**</sup>plastic protests and the <sup>**Ab**</sup>hands of time <sup>**F**</sup>  
 and the <sup>**G**</sup>pursuit of mirth and all <sup>**Ab**</sup>hating kind <sup>**F**</sup>
