

Bad Religion - Turn Your Back On Me

Tom: G

(intro) A C D A C D A C D G

I've been searching for so long
now the search party is gone
won't somebody tell me what the hell went wrong
we started out so strong

(A C D A C D A C D A C D)
I never wanted to hurt you
I didn't plan to desert you
I couldn't possibly express how much I care
So turn your back on me

(G D Am7 C D G D Am7 C D G D Am7 C D G D Am7 C D)
Come on turn your back on me
To survive turn your back on me
we're the same as far as I can see
so come on turn your back on me

(G)

If I could I would stand outside myself
And pretend that I was looking back at somebody else
If I could do it again would I merely defend it all to the end?
or do the ends justify themselves?

(A C D A C D A C D A C D)
I never wanted to hurt you
I didn't plan to desert you
I couldn't possibly express how much I care
So turn your back on me

(G D Am7 C D G D Am7 C D G D Am7 C D G D Am7 C D)
Come on turn your back on me
To survive turn your back on me
we're the same as far as I can see
so come on turn your back on me
