

Bad Religion - What Can You Do

tom:
D

D A E
so you waste another day getting older and gray in your head,
D A E
and you're hearing lots of stories 'bout the happy times you
have ahead,
G D A
there are other folks in power so you kick back and get
farther behind,
D A E E E E E
and although the world rotates itself ,the only thing you
twist is your
mind,

G D A
you see, the worlds falling apart at the rifts,
D A
and surprisingly,
D A E
the leaders can't make any sense of it,
E D
you mean nothing to the world,

Acordes

E E D E
we're all someone else's fool,
F G A
but, oh, what can you do?

(same as Verse 1)
yeah, you waste your time with losers if you get stuck in a
rock-and-roll band, do you find it more rewarding to compete
with morons
throughout this land?, they seem to be in power so I kick back
and
getfarther behind, and I watch them as they fuck up every good
thing on
this earth with their minds.
