

Baden Powell - Velho Amigo

Tom: G

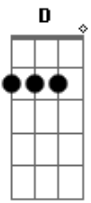

Nesse dia de natal
 Em que já não estás comigo
 Ah, deixa-me chorar ao relembrar a valsa
 De um natal antigo
 Ao chegar a velha hora
 Eu te lembro velho amigo
 Entrar bem devagar, me beijar

E ir chorando embora
 Meu velho amigo
 Porque foste embora
 Desde que tu partiste o meu natal é triste
 Triste e sem aurora
 Se o céu existe, se estás lá agora
 Lembra bem lá do céu
 Que existe um menino sem Papai Noel
