

# Badflower - Promise Me

tom:

Intro: Am Bb Dm

[Primeira Parte]

We're getting old, now  
But I don't feel it  
I say you're beautiful  
And I still mean it  
And I don't wanna know  
What old age feels like  
So promise me you won't  
Give up on this life

[Pré-Refrão 1]

And we'll be busy tryin'  
While the rest of them are dyin'

[Refrão 1]

Promise me we'll never grow up  
I don't wanna let go  
I wanna stay young  
And even when the wrinkles show up  
We'll be laughing, and  
We can play forever, don't make me face the truth

[Segunda Parte]

I think it's obvious  
That we'll stay happy  
Cause I'm the happiest  
When you smile at me  
And we won't end the same  
A broken family  
I'll never walk away  
Without you with me

[Pré-Refrão 2]

And times are getting harder  
But I'm nothing like my father

[Refrão 2]
