

Bahsi - Let You Go

tom: Em

There's something between us Em7 A7

I can't let you go Bm

Let you go oh oh oh B7

I'm in the future saying Em7 A7

I miss you so, I miss you so Bm

I miss you so

I can't run away Em7

I can't run away A7

There's something really wrong inside Bm

I got to say, I Em7

I got to say A7

You're fooling with my mind Bm

Well, I refuse Em7 A7

To be somebody I didn't choose Bm

Now it's time, you and I will say goodbye Em7 A7 Bm

But I'm singing

There's something between us Em7 A7

I can't let you go Bm

Let you go oh oh oh B7

I'm in the future saying Em7 A7

I miss you so, I miss you so Bm

I miss you though B7

I can tell, believe me, these knots Em7 A7

In time, I'll say farewell Bm

But I'm saying Em7 A7

There's something between us Em7 A7

Now I can't let you go Bm

Let you go

Oh let you go

But I'm saying

There's something between us Em7 A7

Now I can't let you go Bm

Let you go

Oh let you go

(C7M G7M F7M B7)
(Em7 A7 Bm)

I can't run away Em7

I can't run away A7

There's something really wrong Bm7

Well, I refuse Em7 A7

To be somebody I didn't choose Bm

Now it's time, you and I will say goodbye Em7 A7 Bm

But I'm still singing, singing

There's something between us Em7 A7

I can't let you go Bm

Let you go oh oh oh B7

I'm in the future saying Em7 A7

I miss you so, I miss you so Bm

I miss you though B7

I can tell, believe me, these knots Em7 A7

In time, I'll say farewell Bm

But I'm saying Em7 A7

There's something between us Em7 A7

Now I can't let you go Bm

Let you go

Oh let you go
