

# Bahsi - Let You Go

tom:

Em

There's something between us

I can't let you go

Let you go oh oh oh

Em A7

I'm in the future saying

Bm

I miss you so, I miss you so

I miss you so

Em

I can't run away

A7

I can't run away

Bm

There's something really wrong inside

Em

I got to say, I

A7

I got to say

Bm

You're fooling with my mind

Em A7

Well, I refuse

Bm

To be somebody I didn't choose

Em A7 Bm

Now it's time, you and I will say goodbye

But I'm singing

Em A7

There's something between us

Bm

I can't let you go

B7

Let you go oh oh oh

Em A7

I'm in the future saying

Bm

I miss you so, I miss you so

B7

I miss you though

Em A7

I can tell, believe me, these knots

Bm

In time, I'll say farewell

B7

But I'm saying

Em A7

There's something between us

Bm

Now I can't let you go

Let you go

Oh let you go

( C G F B7 )

( Em A7 Bm )

Em

I can't run away

Now it's time, you and I will say goodbye

Em A7

There's something between us

I'm in the future saying

I miss you so, I miss you so
