How to get away from modern slavery? Modern slavery
How's the taste of being free?
There comes the sun, and I'm up on my feet
Wasting days to guarantee their satisfaction
But I'm getting close, I'm about to see
this is not the reality I want for me
And I'm on my way, I'm on my way, I'm on my way
The sun goes down, I figured out that I'm alone, I'm all alone
At least their kids got new phones

So let me paint it out a dog in chasing
A meat tied on a stick, and tied on his neck
The more you chase, the less you get
Where's satisfaction?
But I'm getting close, I'm about to see
this is not the reality I want for me
And I'm on my way, I'm on my way, I'm on my way
am I just overreacting? Or did I finally hit the vein?
Unless these feelings regress
I'm gonna get off this train
You say you're working to get a
better, a better life, but I'm asking you
Which life is getting better? I'm getting through to you?
