

Bahsi - What A Nice Day

tom:

Intro: ^G
B B B B
E E E E

^{B B} ^{B B}
What a nice day
^{E E}
No big reason here
^{E E}
No therapist, no tears
^{B B} ^{B B}
It's a long road
^{E E}
Believe in yourself
^{E E}
So hard to ring that bell

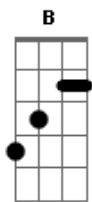

^{Dbm}
And it's like
^{Gb7}
An awakened dream
^{Ebm}
Because it's my
^{Ab7}
Time to be the one
^{Dbm}
Who walks right
^{Gb7}
Down the street
^{Ebm}
While the Sun, like a spotlight
^{Ab7}
Shows everyone
^{Dbm}
That I'm in love with my hair
^{Gb7}
The world I could not care less
^{D#m.} ^{Ab7} ^{Ab7}
Because today, oh today
^{Dbm} ^{Gb7}
I'm puffing out my chest to say
^{B B B B}

What a nice day!
(E E E E)

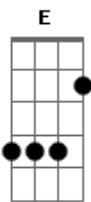

^{B B} ^{B B}
I've been dumb and gross
^{E E}
With the mirror, not itself
^{E E}
But with what it had to tell me
^{B B} ^{B B}
What a waste
^{E E} ^{E E}
Now I wonder how long it took me

^{Dbm}
To feel like
^{Gb7}
An awakened dream
^{Ebm}
Because it's my
^{Ab7}
Time to be the one
^{Dbm}
Who walks right
^{Gb7}
Down the street
^{Ebm}
While the Sun, like a spotlight
^{Ab7}
Shows everyone
^{Dbm}
That I'm in love with my hair
^{Gb7}
The world I could not care less
^{D#m.} ^{Ab7} ^{Ab7}
Because today, oh today
^{Dbm}
I could finally
^{Gb7}
Could finally say
^B
What a nice day!
