

# Bailey Zimmerman - Where It Ends

tom:  
 Capotraste na 2ª casa  
 Intro: **Em** **G** **D** **Em**

[Verse 1]

This is where it ends  
 I've been down a few broken roads that I'm trying to mend  
 But this is where it ends

And I'm breaking down  
 You were lying when you said that you were trying to work things out  
 But now I'm broken down

[Verse 2]

I went to battle for you always  
 Fought for you on your worst days  
 Then you told me that you don't love me no more

[Chorus]

You're the last thing that I thought I'd lose  
 All I ever wanted was to be loved by you  
 I let you back in and I gave you a second chance

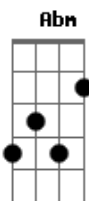

And like a jet plane on a clear blue sky  
 Sun came shining down on all your lies  
 I got too much pride to let that happen again  
 So this is where it ends

[Verse 3]

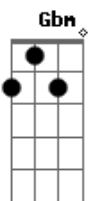

Had to bury all your memories  
 Couldn't see what everybody sees  
 A red flag said I should've walked out that door

Went to battle for you always

[Break]

You're the best thing that ever happened to me  
 You showed me what true love shouldn't be  
 I found myself the second I gave up on us

[Chorus]

You're the last thing that I thought I'd lose  
 All I ever wanted was to be loved by you  
 I let you back in and I gave you a second chance (a second chance)

And like a jet plane on a clear blue sky  
 Sun came shining down on all your lies  
 I got too much pride to let that happen again
