[Primeira Parte]

**A** **Ab7**  
Chegou, sorriu  
**G** **Gb7**  
Venceu, depois chorou  
**Bm** **Gm**  
Então fui eu  
**Bm** **E7**  
Quem consolou sua tristeza  
**Dbm** **C**  
Na certeza de que o amor  
**Bm** **F**  
Tem dessas fases más  
**Gbm** **B7**  
E é bom para fazer  
**Bm** **E7**  
As pazes, mas

[Segunda Parte]

**A** **Ab7**  
Depois fui eu  
**G** **Gb7**  
Quem dela precisou  
**Bm** **Gm**  
E ela então  
**Bm**  
Me socorreu  
**E7**  
E o nosso amor mostrou  
**A** **A**  
Que veio pra ficar  
**D** **Dm**  
Mais uma vez por toda a vida  
**Dbm** **E7**  
Bom é mesmo  
**Dbm** **E7**  
Amar em paz

[Terceira Parte]

**C** **Eb**  
Se você pretende  
**Dm** **Eb**  
Sustentar a opinião  
**Em** **E7**  
E discutir por discutir  
**F** **Fm**  
Só pra ganhar a discussão  
**Em** **Eb**  
Eu lhe asseguro, pode crer  
**Gm** **A7**  
Que quando fala o coração  
**D7**  
Às vezes é melhor perder  
**Dm** **G7**  
Do que ganhar, você vai ver  
**Em** **Eb**  
Já percebi a confusão  
**Dm** **Eb**  
Você quer ver prevalecer  
**Em** **E7**  
A opinião sobre a razão  
**F** **Fm**  
Não pode ser, não pode ser  
**Em** **Eb**  
Pra que trocar o sim por não  
**Gm** **A7**  
Se o resultado é solidão  
**D7** **G7**  
Em vez de amor, uma saudade, vai  
**C**  
Dizer quem tem razão

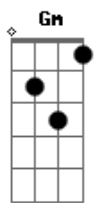

[Quarta Parte]
