Tom: G

Running for your love <sup>Em</sup>  
 Anytime you call me <sup>Em7</sup>  
 Running for your love <sup>D</sup>  
 I'm on the line again <sup>C</sup>  
 Running for your love <sup>A</sup>  
 Anytime you call me <sup>E</sup>  
 Running for your love <sup>E7 C A Em</sup>  
 I'm on the line again  
 Another day <sup>Am7 Bm7</sup>  
 Another way  
 You keep me under lock 'n key <sup>Em</sup>  
 You say you care <sup>Am7</sup>  
 But in the air <sup>Bm E</sup>  
 There's a peculiar love affair  
 You call me names <sup>Am</sup>  
 I play your games <sup>Bm7 E Bdim7</sup>  
 You lighten up my fantasy <sup>Em G</sup>  
 I turn around <sup>Am7</sup>  
 Am lost or found? <sup>Bdim7 E</sup>  
 I really like your company <sup>Bm D</sup>  
 Call me <sup>C</sup>  
 Night and day, anytime <sup>F Bm D</sup>  
 I'll be <sup>C</sup>  
 On my way, right on time <sup>G C7M</sup>  
 I'm running for your love <sup>G D</sup>  
 A different kinda feeling <sup>G D</sup>  
 Everyday <sup>G C7M</sup>  
 Don't want another love <sup>G D</sup>  
 I need a special healing  
 Right away <sup>G Em</sup>  
 I'm running for your love <sup>G D</sup>
