

Band Stello - Lean On

```
tom:
           Ab
   Do you recall, not long ago
            Eb
    We would walk on the sidewalk
           Bb
   Innocent, remember
    All we did was
Care for each other
But the night was warm
             Eb
    We were bold and young
   All around the wind blows
    We would only hold on
To let go
Ah
             Bb
   Blow a kiss, fire a gun
         Eb
   We need someone to lean on
      Bb
   Blow a kiss, fire a gun
    All we need is
Somebody to lean on
   Blow a kiss, fire a gun
      Eb
   We need someone to lean on
       Bb
   Blow a kiss, fire a gun
All we need is
Somebody to lean on
( Ab Bb Cm Eb )
( Ab Bb Cm )
   What will we do
 When we get old
    Will we walk down
The same road
   Will you be there
 By my side
 Cm
Standing strong
```

Acordes

```
As the waves roll over
   When the nights are long
                Eb
Longing for you to come home

We would only hold on to let go
   Blow a kiss, fire a gun

Somebody to lean on
