Well, I love you  
You got to know  
And you know,  
It's hard to say

That I want you  
For my life  
For my life and all the day

**C**

All the day long

**G**

All the day long

**C7M**

Well, you know?  
I've been looking  
I've been looking all the day

**Cm7**

For something to distract me

Something to distract me

**C**

Of not to have you

**G**

And remembering you

**A** **D**

And I got you everytime

**E** **D** **C**

Walking out my head

**A** **D**

Taking out my thoughts

**E** **D** **C**

At least my head

**A** **D**

Still here

**E** **D** **C**

Rememberin' I can't have it, you

**A** **D**

Still here

**E** **D** **A** - **D** **C**

Rememberin' I can't have you
