

Banda de Pau e Corda - Sonho Interior

tom:

E

E

Terra de barro batido

Carro de boi gemedor

Céu dourado, fim de tarde

Cena do interior

Um sonho dentro do peito

Um coração batedor

Uma nave entre as estrelas

Um triste navegador

Que navega entre as calçadas

Ruas, becos sem saída

Que trafega entre os canteiros

Sobrevoa as avenidas

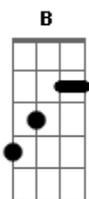

Vai sonhando entre as estrelas

Automóveis e buzinas

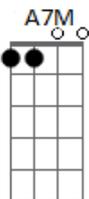

Carro de boi gemedor

Já vai longe nas caatingas
