

Banda Eva - Não Precisa Mudar

Tom: E
Intro: E A7

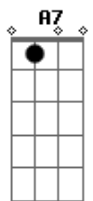

Não precisa mudar Vou me adaptar ao seu jeito
 Seus costumes, seus defeitos
 Seu ciúme, suas taras Pra que mudá-las?
 Não precisa mudar Vou saber fazer o seu jogo
 Deixar tudo do seu gosto
 Sem guardar nenhuma mágoa Sem cobrar nada
 Se eu sei que no final fica tudo bem

A gente se ajeita numa cama pequena
 Te faço um poema e te cubro de amor
 Refrão:
 Então você adormece
 Meu coração enobrece
 E a gente sempre esquece
 De tudo o que passou...
 De tudo o que passou...
 Intro: E A7
