

Banda Karisma - Do Jeito Teu

tom:

A

Sim hoje sei

Sou todo teu

Tanto passei pra entender

Tristeza e dor senti antes de ti

No caminhar

Só quis achar

Gente passando feliz

Tentei olhar sozinho meu lugar

A D A A D

Foi tudo vão, sozinho

Tanto dias se passaram longe desse amor imenso

Força viva dentro de mim

Hoje posso te falar

Dessa canção que ganha corpo

Em meu ser

Me faz viver assim feliz

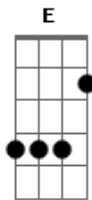

Então a felicidade

Reside em ser teu

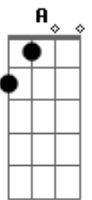

E em ter te em mim

Viver assim do jeito teu
